

Open Application for BIP – Developing Competences for Literary and Non-literary Translation

We are excited to announce the start of the application period for the Erasmus Blended Intensive Program (BIP) on *Developing Competences for Literary and Non-literary Translation* hosted by our partner university *Alexandru Ioan Cuza University*, Romania.

A Blended Intensive Programme is a short-term physical mobility with an online part (virtual component).

More detailed information about the BIP-[HERE](#)

The BIP will take place between 10-14 March 2025 in Alexandru Ioan Cuza University, Iasi, Romania. There will be **a mandatory virtual part too.**

Requirements:

To be a student at Shumen University (undergraduate and graduate students).

English Language: Level B1

What do you get?

Erasmus grant: 79 euro per day (5 days physical mobility + up to 2 days for travel)

ECTS credits: 3

Learning outcomes:

By the end of the programme, participants will be able to:

- identify and practice types of competences required for translation
- recognize the specificity of literary and specialized translation
- design plan to develop own translation competences
- communicate openly across languages and cultures

Application DEADLINE at Shumen University: 06.01.2025
