

Open Application for BIP – Student life challenges and prevention of undesirable situations on campus. Face-to-face meetings with the experts that could enlighten your choices in life!

We are excited to announce the start of the application period for the Erasmus Blended Intensive Program (BIP) on *Student life challenges and prevention of undesirable situations on campus. Face-to-face meetings with the experts that could enlighten your choices in life!* hosted by our partner university *Alexandru Ioan Cuza University*, Romania.

A Blended Intensive Programme is a short-term physical mobility with an online part (virtual component).

More detailed information about the BIP-[HERE](#)

The BIP will take place between 24-28 February 2025 in Alexandru Ioan Cuza University, Iasi, Romania. There will be **a mandatory virtual part too.**

Requirements:

To be a student at Shumen University (undergraduate and graduate students).

English Language: Level B1

What do you get?

Erasmus grant: 79 euro per day (5 days physical mobility + up to 2 days for travel)

ECTS credits: 3

Learning outcomes:

By the end of the programme, participants will be able to:

- Increased level of knowledge and skills: Participants will gain an increased level of knowledge and a deeper understanding of how to respond to emergency situations (natural disasters, medical emergencies, violence on campus, cases of drug or alcohol addiction, etc);
- Development of personal and professional skills: Participants will gain an increased level of knowledge and skills such as communication skills, language skills, critical thinking, problem solving, and intercultural skills.
- Broadening the horizons and development of lasting professional relationships through access to a wide range of expertise and insights from specialists in different fields.
- Broadening the network of contacts: the workshops and group discussions will provide participants with networking opportunities and connections with relevant people
